Hello RV lovers,

If last weekend's weather is any indication, spring is here and that means opportunities to hit the road. If you spent the long cold winter working and are ready to dust off the RV and clear the clutter from your soul, there is no better place to do it than at [Costanoa](#)--the Central Coast's hidden gem of an RV campground that offers luxury and outdoor living at its finest. Set in the woods near picturesque Pescadero and a stone's throw from a beautiful beach, Costanoa offers everything from amazing whale watching to challenging hikes to indulgent spa treatments and fine dining.

This isn't camping, folks, it's "GLAMping." And after the rain an

the wind and the cold of the long winter months, you deserve a little bit of me time. Spring cleaning for the mind and body, if you will.

But before you head out to the coast, be sure to swing by the [2 Annual Northern California Spring RV Show](#), held in Pleasanton from May 18-27 to get your rig shipshape or to get yourself into new RV altogether. We'll have hundreds of RVs of all makes and models at prices that can't be beat. Our RV reps will be ready to wheel and deal to get you into the RV that will have you vacationing in style this spring and summer.

And although prices at the pump are creeping up, remember that RVing remains one of the cheapest ways to take the family on a great vacation. A cost comparison study commissioned by the Recreation Vehicle Industry Association shows that a family of four can save 23-59% on vacation costs depending on the type of trip and type of RV used. You can use the savings to splurge on a delicious dinner at [Costanoa's Cascade Bar & Grill!](#)

So if you're ready to scratch that vacation itch and do a little spring cleaning for the body and soul at Costanoa, be sure to head to the show in Pleasanton at the [Alameda County Fairgrounds](#) from May 18-27 so you can ride to the coast in style!
